

# PAN DENTAL SOCIETY CONFERENCE 2011

ACC LIVERPOOL 11-12 NOVEMBER

## Accidents will happen! Coping with Trauma

### 2nd Pan Dental Society Conference

Everyone agrees that the 1st Pan Dental Society Conference in 2007 was a resounding success. Therefore the four societies decided that 2011 would be a good year to hold the 2nd Pan Dental Society Conference.

The venue this time will be Liverpool and the date for your diaries is 11-12th November 2011. The four societies have put together an exciting programme including our Keynote speaker Professor Keith Porter who will talk about his involvement with the care of our wounded soldiers arriving back from Afghanistan.

We hope very much that those who were present the first time will take the opportunity to again meet up and that this year's topics will attract new delegates. This coming together of the four societies allows us to broaden our horizons and provide networking with other disciplines. The conference will also offer the opportunity to discuss new developments in technology and professional life and will be of importance to all in the dental profession, consequently we expect a large number of delegates to attend from outside the four societies.

Therefore I encourage you to put the date in your diary and advertise it widely to your friends and colleagues in dentistry.

**Professor Damien Walmsley**  
*Chair, Pan Dental Society Organising Committee*

In collaboration with: British Endodontic Society, British Society of Periodontology, British Society for Restorative Dentistry, British Society for the Study of Prosthetic Dentistry

## KEY SPEAKERS

The first day of the conference will offer four parallel sessions featuring speakers invited by the individual Societies. The overall theme will be Trauma and it is hoped that delegates will pick and choose speakers of interest to them from the varying sessions. The second day of the conference will be a single main session offering speakers of particular interest to all disciplines. This will include an open forum featuring clinical case studies.

## CPD

The conference will offer delegates the opportunity to add to their Verifiable CPD requirements. The full programme will offer 11 hours CPD.

## EXHIBITION AND SPONSORSHIP

The Pan Dental Society Conference 2011 will provide an exciting opportunity to companies to access a far reaching audience at one single event and for delegates to see at close hand the current products and services available. All refreshment and lunch breaks will be taken in the exhibition halls and ample time will be given to delegates to browse the Exhibition area. The Organisers are also offering sponsorship opportunities to those companies who wish to further enhance their company visibility at the conference.
