

Mr R. Winstanley

Past president: 1996-1997

From 1996 Ray was our President at the BSRD.

In 1987 Mr R. B. Winstanley, BDS, FDS, was appointed head of the Department of Restorative Dentistry at the University of Sheffield for a three-year period.

In 1977 Mr Winstanley was awarded an MDS from Sheffield for his thesis, 'Determination of the Centre of Sagittal Rotation of the Mandible.' He has a particular interest in the treatment of patients with tooth wear problems, overdentures and temporomandibular joint dysfunction.

Mr Winstanley has been tutor for Dental Admissions at the School of Clinical Dentistry, Sheffield, and he is also an examiner for the final FDS at Edinburgh.
