Re: BSRD Spring Meeting RHS Wisley

The British Society for Restorative Dentistry regret to inform you that the upcoming May Meeting at the RHS Wisley, on 18-19<sup>th</sup> May 2023, has had to be postponed due to a series of unforeseen circumstances.

We would like to inform you that the extra ordinary AGM to appoint new members of council will be going ahead virtually. We welcome and encourage applicants for this. This will be undertaken on Thursday 18<sup>th</sup> May 2023 12:00-12:30pm.

The BSRD Prizes will also still go ahead and the winner for these will be announced at the close of the virtual AGM.

A link for the online AGM will be sent closer to the date.

For all the delegates that have booked tickets to this meeting you will be contacted individually in due course.

Moving forward we wish to inform you of the next upcoming excellent events held by the BSRD. These include a hands-on-study day in November 2023 and also a 2-day Conference in May 2024 themed around digital dentistry.

Best wishes

The British Society for Restorative Dentistry
