Achieving Excellence in Restorative Dentistry

Dear colleagues and friends,

I would like to extend a warm invitation to join us at the Autumn Scientific Meeting of the British Society for Restorative Dentistry: **Achieving Excellence in Restorative Dentistry**. The conference will be held at the Royal Society of Medicine, 1 Wimpole Street on Friday, 8th of November 2024.

I very much look forward to welcoming you to join this incredible opportunity to learn and share amongst some of the most eminent and inspiring members of our profession.

Our agenda features evidence-base expert advice to better understand the dynamics of excellence. These talks will inspire many stimulating conversations during this event. We are looking forward to strengthening and fostering connections amongst colleagues and friends from across our specialty of Restorative Dentistry.

I look forward to seeing you in London!

Kind Regards,

Dr Deborah Bomfim, BSRD President 2024-2025

Friday 8th November 2024

Speakers

Dr Ulpee Darbar Consultant in Restorative Dentistry, Director of Dental Education and Honorary Associate Professor BDS, MSc, FDS(Rest Dent)RCS, FHEA, Pg Cert

Ulpee is a Consultant in Restorative Dentistry and a Specialist in Periodontology at the Eastman Dental Hospital & Institute, UK. She maintains a busy clinical practice with a key interest in managing complex patients requiring an integrated approach with soft and hard tissue augmentation around teeth and implants. As a key opinion leader in soft tissue enhancement, Ulpee lectures regularly on this topic both nationally and internationally.

Ulpee is passionate about education and has been awarded medals for her skills in this area. She teaches extensively, underpinning her clinical work with training renowned for stimulating deeper thinking. She has pioneered numerous innovative learning initiatives and runs successful courses on soft tissue augmentation, among others. Ulpee has published numerous papers, written books on dental implants and recently authored a series on soft tissue grafting.

In this lecture, Ulpee will share her wealth of knowledge and expertise in soft tissue grafting around teeth and implants.

Dr. Ioana Datcu

Ioana graduated with honours from the University of Modena and Reggio Emilia (Italy) in 2007. She practices at her private Dental Studios ID in Ravenna and Russi (RA), where she specializes in Fixed Prosthodontics, Periodontology, and Implantology.

A founding member of SIPRO (Italian Society of Dental Prosthesis and Oral Rehabilitation) and an active member of IAED (Italian Academy of Aesthetic Dentistry), she won the 1st Prize in the IAED Young Challenge 2021. She is a member of the Italian Academy of Aesthetic Dentistry, Society of Digital Dentistry, Italian Academy of Osseointegration IAO, Leading Ladies in Dentistry LLD.

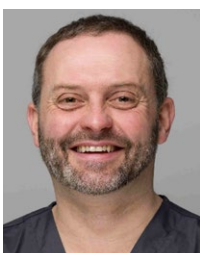

A speaker and founder of her own course on Digital Dentistry: "How to maximize the potential of digitalization in Modern Dentistry" - February/June 2023. In March 2024, the second edition of this course also started, with the same innovative format that involved the aso - dental technician team as well. She has also been a clinical tutor for the implant surgery training course in Portugal. She conducted an implant training course in Italy, Kuala Lumpur (Malaysia), China, Taiwan, Vietnam focused on implant planning, surgical procedures, crestal sinus lift approach, guided implant surgery procedure.

Professor Andrew Dickenson Chief Dental Officer

Andrew is dual qualified in Dentistry and Medicine. He has over 33 years' experience as a clinician within the NHS, with a varied career in education, management, and healthcare leadership. He is an accredited Maxillofacial Surgeon, specialising in paediatric surgery. From 2014 - 2022 he was a Postgraduate Dean at Health Education England until joining Welsh Government as Chief Dental Officer in April 2022.

Andrew has broad experience within postgraduate training, with particular interest in the quality assurance of educational programmes, widening participation and leadership development. His personal interest is service planning within rural settings, which was recognised with a Visiting Professorship to the University of Chester. Andrew also holds a Visiting Professorship in Healthcare at Coventry University.

Dr Rhys Gabe BDS (Wales) MScRestDent (PUPSMD) DipConSed (NC'stle) AssocFCGDent (UK)

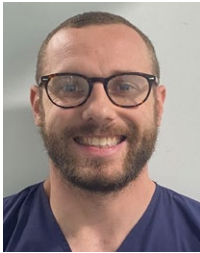

Rhys qualified from the University of Wales College of Medicine and Dentistry in 1996 and has worked in NHS and private practice throughout his career. He is a Partner in Torrington Dental Practice in North Devon where he treats patients on referral.

He completed an MSc in Restorative Dentistry with Distinction from PUPSMD in 2018 and a PGDip in Conscious sedation from Newcastle University of Dental Sciences in 2009.

He has been employed by Somerset Foundation NHS Trust in the Restorative Department as an Associate Specialist, providing restorative care for Head and Neck Cancer, Cleft Lip and Palate and Hypodontia patients.

He is an Associate Fellow of the The College of General Dentistry and is the current Treasurer of BSRD.

Speakers

Dr Oliver Jones

Ollie is a newly appointed Consultant in Restorative Dentistry and Honorary Senior Clinical Teacher at Charles Clifford Dental Hospital, Sheffield.

Ollie graduated in 2015 from the University of Sheffield, going on to complete Dental Core Training in Portsmouth and Birmingham covering all of the dental specialties.

Having recently completed his specialty training and MPerio examination, he has a broad range of interests and experience across all of Restorative Dentistry and the associated monospecialties.

Dr Maria Lessani BDS MFDS RCPS MClintDent MRD RCS

Maria qualified from Birmingham Dental School in 1996, following which she worked as a Vocational Trainee in an NHS practice in East London. Maria won an award as VT of the year in 1997. In 1998 Maria started a two-year full-time MClintDent (Endodontology) program at the Eastman Dental Institute. Maria gained the MFDS (TC White Medal) from Glasgow. Her name has been included on the GDC Endodontics specialist list since 2002. Currently Maria's time is divided between endodontic practice and teaching. She has taught undergraduates and continues to teach postgraduates at Eastman Dental Hospital (UCL). She is a past President of the British Endodontic Society and has been involved in launching the early career group and promoting the various education material available after the pandemic. As past president her work with BES continues and she is currently working with the deaneries to help support challenges of endodontics for foundation dentist and their trainers throughout the UK.

Mr Nick Lewis BDS(Hons.), MSc, LL.M, MFDS RCS Ed., FDS (Rest Dent) RCS, FFGDP (ad eundum)

Nick graduated with Honours at Newcastle and went on to complete general professional training in the North-East. He completed an MSc in Conservative Dentistry at the Eastman in 2007 and his higher training in Restorative Dentistry at the Eastman in 2009. He was subsequently a Consultant in Restorative Dentistry at the Eastman from 2009-2018.

Nick is now predominantly based at the Royal Surrey and is currently the Clinical Director of Maxillofacial surgery, Orthodontics & Restorative Dentistry while also maintaining a private practice in Yateley, Hampshire with his wife Jane. Nick was the Course Director of the FGDP/ CGD Diploma in Restorative Dentistry from 2015-2022 and completed an LL.M in Medical Law in 2017.
