Dear Colleagues and Friends,

I am delighted to invite you to the Autumn Scientific Meeting of the British Society for Restorative Dentistry: Restorative Dentistry 360° – Evidence, Excellence and Longevity. The conference will be held in London at the Royal Society of Medicine, 1 Wimpole Street, on Friday 27th November 2026.

The day will bring together a distinguished line-up of speakers, all leaders in their fields, spanning primary and secondary care, hospital practice and academia, to explore every aspect of restorative dentistry.

I am looking forward to a fantastic programme that reflects the full breadth of care we provide our patients, with something to offer delegates at every stage of their career.

I look forward to welcoming you to London.

Nick Lewis,
BSRD President 2026-2027
